ANNOUNCEMENT

IRISES, a modern handbook on the use and culture of irises is being published by the American Iris Society. Information on the Iris Family and cultural information on all types of iris as well as articles on designing perennial borders, color combinations, judging iris in show and garden, raising iris from seed, elementary genetics, color photography and many other subjects in this volume of approximately 200 pages. Many well known authors including Richardson Wright, J. Marion Shull, John C. Wister, B. Y. Morrison and Robert S. Sturtevant are among the contributors.

Price	Permanent binding	\$2.50
	Paper binding	\$1.50

The American Iris Society will give the paper bound volume together with a one year membership in the Society to all who join the society in 1947, for the sum of \$3.50. This \$3.50 entitles each new member to the four copies of the BULLETIN as well as the copy of IRISES, which is in the process of being published and will be ready for mailing in the early fall.

JOIN NOW . . . Make your check payable to the AMERICAN IRIS SOCIETY, \$3.50, and send to us with your order.
